Don Juan, only not...

Nyhavn area with lots of hip bars and hotels

Happy to be relaxing on a boat tour with jet lag!

There were several of these spiral spires

Very tight fit!

Heading up the Round Tower built in 1642 as an observatory

Yeah, we wanted a picture of your shoe sole. Thanks!

114 feet above Copenhagen in the Rundetårn (Round Tower)

Yay! We're on vacation.

Hanging out inside the Dansk Design Center

Ah, cushy

LOTS of bikes in Copenhagen. Partly due to the 280% car tax?

Wooden frame of the main train station

Yummy dessert with Penelope's friend Lars

Certainly not the best
